

Two of Philippines iconic tourist attractions are located in Bicol, the whale Sharks in the Donsol and the fiery Mount Mayon.

Bicol is home of over 20 volcanoes, Bulusan volcano and Iriga being among them. Gorgeous beach and limestone cliffs are available for island hopping on the caramoan peninsula and in extrem south of Luzon on the Island of Misibis. Manta Bowl in the ticao Pass will give you the chance to dive with one of the unique animal on earth the Manta Ray.

Inspired by the fiery landscape, bicolano food is famous for its spice; chili and coconut milk will be the ingredient of any bicolano dishes.

Located in the middle of all bicol attractions, Balay de la Rama is the perfect jump off point to discover them. Check on [Tours & Activities](#) to see what our tours offers. Our tours are exclusively designed to give a real unique bicolano experience.
